

Business Spotlight

So, what is Business Spotlight and how can I get involved?

Business Spotlight is your chance to tell people all about your business and share the things that make you unique and different. Created by Burton Small Business it is there to shine the spotlight on all of the great independent businesses in our town.

We are looking for businesses from all industries and at any stage in your journey from start-up to established.

The only criteria we ask is that you are:

- An independent business
- Based in the Burton Upon Trent area

Please complete the details by TYPING your details in to the application form and return to cheryl@creativewordpr.co.uk who as a member of Burton Small Business will oversee the project. Please include suitable imagery and read the details below carefully.

If you have any queries do get in touch and we look forward to finding out more about your business.

Kind regards

Cheryl

Business Spotlight is a platform for businesses to share details on their business for free. The content is submitted by the business and should be treated as third party content as inclusion does not mean it is endorsed by Burton Small Business.

Businesses will be selected out from submissions and uploaded periodically depending on the number of businesses applying. By applying there are no guarantees on when or if your content will be included at www.burtonsmallbusiness.co.uk. Any queries can be directed to cheryl@creativewordpr.co.uk who will be overseeing the project as part of the Burton Small Business team.
